

Le Terre

La Life Source Food Experience a Le Terre

The belle saison is fully blooming.
The world shines with its most beautiful jewels, offering combinations of fragrances and bright, intense shades in all its landscapes.

Le Terre Gourmet Restaurant takes inspiration from nature and brings all its vivacity to the table through a new menu of lively delights: a continuous contrast of sensations and tastes that will take you on a journey between land and sea, for unique emotions full of taste.

The ravioli on our menu is the best expression of the research behind our gastronomic journey: Executive Chef Enzo Pettè explores his family's traditions and honors it through filled pasta, a real treasure chest of goodness where no combination is ever left to chance.

The protagonist of June

Raviolo Caprese

Le Terre celebrates the arrival of summer with a revisitation of an evergreen Italian dish: the Caprese. In our ravioli you will taste the freshness and the intense taste of tomato, basil and mozzarella combined in an innovative way.
